XXX one line info here

This exemplary fourth installment from the Avocado imprint is a testament to Rune RK and Jerome Sydenham's commitment to high quality House and Techno.

GummiHz steps up and a definitive rework of the classic "Can't Stop Not". It is punchy minimal deep Techno edge is destined to please both Techno and House heads alike.

In the "Crossing Over Dub" Jerome Sydenham simply redefines the meaning of well produced, powerful layered dubbed out Techno.

Finally we are treated to a reprise dub of the mega classic "Elephant". Again Elephant proves to be most effective on most dance floors.
